The Clearwater Solution...

Complete household purification systems

PLATINUM SERIES

Clearwater Enviro's new household purification systems will compliment *ScaleBlaster* to solve major water issues you may be experiencing – like chlorine, iron and sediment. Employing the latest advanced filtering media in the world, our deluxe premium filtration systems will provide you and your family years of maintenance-free, healthy and purified water for the entire house – at an affordable price!

AC-300/400

Chlorine Removal for Taste, Odor

- Removes chlorine or chloramines
- Improves taste, odor in water
- Uses coconut shells as media for filtering
- Contaminants flushed out automatically
- Works on entire house
- No filters to clean or change
- Years of maintenance-free operation

ISM-100

Iron, Sulfur, Manganese

- Removes iron (rust staining)
- Removes sulfur (rotten egg smell)
- Removes manganese (brown-black stains)
- New advanced media technology
- No chemicals, salt or filters to change
- Many years of maintenance-free operation
- Contaminants flushed out automatically

SF-200

Sediment

- Removes sediment, silt & fine dirt
- Removes organic matter, rust particles
- Removes particulates down to 5 microns
- Improves water clarity and “feel” of water
- Contaminants flushed out automatically
- Many years of maintenance-free operation
- Works perfectly with ScaleBlaster
